## LETTER FROM THE PREZ 1/2010

Happy New Year! I hope the New Year finds you all still in good spirits from the holidays. The New Year is always accompanied by feelings of a fresh start, New Year resolutions, and new beginnings. In the spirit of the New Year I have written a poem:

### MY NEW YEAR'S WISH

I wish you all the hope and joy this New Year ought  
to bring

I wish you good fishing in the winter months,  
and in the summer, Fall and Spring.

May your fishing trips always be a success,  
no matter if you're fishing with family, friends or  
guests.

It doesn't matter if you're fishing from a boat or  
from the shores.

May I always catch little fish ...  
a little bigger than yours!

We are down to our last tournament of the year. After their large first tournament of the year start, their lead has slowly dwindled. I'm talking about Jacob Bailey and Tony Resma. They are still leading the pack but if they don't make a good showing this month they can be caught and overtaken. One or two or three big fish can really shake up the standings. Dean Pijut knows this can be done. Dean caught, landed and released a 23+ pounder a few days after Christmas. With the rest of the fish he caught that day, he would have easily weighed in over 36 pounds. Interesting.

This is the last tournament of the year. This tournament will determine the angler of the year. This is also your last chance to get into the top ten tournament. Fish hard my friends!

A lot is happening at the January meeting. We will be unveiling and passing out our new business cards. You will also get to view the newly designed letter head. We will soon approach Bass Pro Shops about having our meetings held there. The proposal will be written using our new letterhead. Thank you Tony Resma, he was the driving force behind both of these projects.

New officers will be elected at the January meeting. It will be my last meeting as your acting president. Thank you for the privilege of being your president for the last two years; it's been a heck of a party!

As always, respectfully from your prez Dave,  
don't worry I'm leaving you in good hands, Duncan
