

Nevada Striper Club
Board Meeting
March 10, 2011

Board Members present: Mike O'Donnell-President, Andy Taylor-Board Member, Thomas Lima-Picnic Director, Dean Pijut-Board Member, Steve Fry-Vice President, Amy Wagner-Secretary/Treasurer, Toby Chandler-Tournament Director, & Shelli O'Donnell-Recording Secretary.

Adopt a Cove: Elizabeth Gann works for the volunteer office at the National Park Service and she is in charge of the Adopt a Cove. The club wanted a different cove for this month's event and that location will be announced later tonight. Burro Point is the new cove we will be cleaning. A GPS will be sent out in an e-mail.

Dean will be bringing a BBQ for the Adopt a Cove event and he is in charge of cooking. We will be meeting at Calville at 8:00 am on March 19th, 2011 to head out. There is a list that we signed to volunteer for the event and we are in the process of getting volunteers with boats (so far we have four boats).

Banquet went real well. Thanks for everyone's help. Food was way better this year. Maybe look at having the banquet in town next year because we may need a bigger facility.

Design for new merchandise was shown for the hats. \$9.00 is our approximate cost. We may be able to get them personalized if members would like that.

Flags were also brought up as a possibility for the boats so we can be identified by each other and by the park service. Will there be different sizes available? This would be optional not mandatory. A lot of the members didn't necessarily like this idea.

New fishing licenses are needed as of March 1, 2011.

If sweatshirt/hoodies are not picked up by tonight they will be available for the club to sale.

When will the new tournament sheet dates be passed out, so people can make arrangements for other tournaments?

Raffles: It was brought up that the members would like to see a change in how this is done. They would like to see whoever wins gets to pick out their prizes versus having them be given to them.

A vote was taken and this has been made so.

Tournament picnic board was brought out so people can pick what month they would like to bring the food to assist the tournament director.

The website is going to be fixed so each individual can post pictures to their own album. Currently pictures can only be posted to the general site.

Fundraiser fish rummage sale was discussed. Do we want to do this? If someone wants to have it we can start collecting items for it. Maybe have it in late September. A list of volunteers was collected for the event. Maybe have Doug from the RJ put the announcement in the paper right before the sale.

Big Fish tackle is hosting a clean-up for the lake as well. This event will be the March 26th at Hole 33 at 8:00 am at center parking lot.

Meeting Adjourned at 8:00 pm

Next meeting is 4/14/11
