

**Nevada Striper
Monthly**

May Edition

The May meeting will be held on Thursday the 13th at 7:00 p.m. The new location is at Bass Pro Shops in the Fine Gun Room upstairs. The Board of Directors will meet from 6:00 to 6:45 and members are welcome to observe without verbally participating unless they have business they would like to bring to the board's attention.

The May tournament will be held from Friday evening on the 14th at 5:00pm until Sunday at 12:00 p.m. on the 16th. The weigh-in ends promptly at 1:00 p.m. so please be there in time to weigh your fish. This month is a "gut check month" so be sure to follow the rules and use the yellow plastic marking tags. Rules are on the front of the entry forms and also on the website. Please read them.

Beginning with the May tournament, the starting time for all tournaments has been changed to 5:00pm on Friday evening. No changes have been made for the weigh-in time and that remains at 12:00 p.m. to 1:00pm on Sundays.

A big thank you to Mike O'Donnell and Tony Resma who have donated their time to help pay for all of the graphics projects we are working on. If some of you are feeling left out and would like to volunteer their time to help the club, don't worry we will be doing a fundraiser real soon.

Don't forget to bring any scrap metal and aluminum cans to the weigh-in on Sunday. Roland Leclerc our designated Can Man will be there with his truck to pick them up. And now for the April tournament results.

As you can see from the results above, the turnouts have been huge in the last two months and the tournament payouts have been quite well. It is good to see more fishermen getting involved and hopefully it will lead to more youngsters fishing in the Juniors Division. We will be sweetening up the prize list for the kids in the coming months as well.

The Nevada Striper Club is all about family and camaraderie in the angler community. So bring the kids next time. There is no greater reward than to take a kid fishing and see the smile on their face when they land a fish.

Here is some good news to report on the club progression front. We have applied for a trademark on our logo. The process will take about 18 months. After that we will be safe and secure and nobody can take the logo away from us. A logo is the face of any organization. Ours is a particularly good one and that is why it is necessary to trademark it. Hopefully it will be here for generations to come. And now here is a message from our President.

A message from Mikey

Our first meeting at the Bass Pro Shops went well. We are extremely pleased with our new venue. Come and check it out.

I want to mention service to the club. For me I find it good for the soul and it's a way for me to give back (even when we were selling fireworks and it was hotter than heck). I was grateful for the experience and I find it a good thing.

We are not doing the fireworks booth this year; however, we are having other types of fundraising projects coming up in the near future. They will require members to put in time and effort. So volunteer some of your time, it will be good for your soul. I promise.

Thank You,

Your President
Mikey

Another announcement we have is: We have added hats to our stable of merchandise. There are two colors available Tan and Hunter Green. The cost is \$12 per hat. Below is a picture of the hat. Supplies are limited so get em' quick.

We also have tee shirts and three sizes of stickers for sale as well. All proceeds from our merchandise go to fund future Striper Club items such as sweatshirts, shorts and even custom fishing rods.

Well that is the latest everyone. Good luck in the tournament if you are fishing. See you at the meeting or on the water.
